

Arcadia Gathering

An East Coast Gathering for Pagan Men Who Love Men.

The Space Between Us:
Making Connections Across the Void

October 8-11, 2020

Arcadia Sanctuary
Amherst, Virginia

Theme includes making personal connections in the real world and online; connecting with your "tribe"; and connecting with deities, spirits, and ancestors. As Pagan men who love men, we are often spread out across great distances. This is your chance to connect with other like-minded men. Our patron deity this year is the Greek god, Hermes.

Cost:

Registration (includes camping): Early \$100 (before May 15); Regular \$125 (May 15-October 1)

Day Trip (not camping): Early \$50 (before May 15); Regular \$65 (May 15-October 1)

Meal Plan (covers breakfast and dinner): \$50

Arcadia is a Queer-positive Pagan men's gathering open to men of all orientations, spiritual paths, and backgrounds. We welcome anyone over 18 who identifies as Pagan, Hellenist, or Earth-based spirituality who is also gay, bi, queer, or trans. We will not turn away any respectful seeker regardless of gender, sexual orientation, or spiritual path.

We are looking for workshop and activity presenters, and for folks to help plan and staff the event.
